of the New York Tribune.

H: Defends the Conduct of the Affairs of His State, and Vindicates It Against the Charge of Ke Kluxism,

-You challenge me to reply to certain strictures of yours on me and my administration. Having no political or personal interests in New York, concluded not to withdraw the attention necessary to an acceptance of your taunt from the pressing and anxious duties by which I am surrounded subject of subject of subject of subject of cowardly violence. It seems to me that were I is his place now, with the power he says they do, an echo in high places, demand correction at my hands as a subject of subject of cowardly violence. It seems to me that were I is his place now, with the power he says he has, I would give the protection I did then, and not have my friends killed by tens and hundreds, as they are being killed now.

Subject of the scheme, but he attacks the administration in the severest manner for usurpation of power and unlawful did then, and not have my friends killed by tens and hundreds, as they are being killed now.
